

# WAYZATA HIGH SCHOOL CLASS OF '68 45TH REUNION

Greetings from the reunion committee! The Class of '68 is making plans for the 45<sup>th</sup> reunion and we want to get the word out to as many classmates as possible. Once again, we are planning for a fun weekend of activities, with the main event:

## Saturday, August 24, 2013 – 6:00 to 9:00 PM Dinner Cruise on Lake Minnetonka

The cost of the main event will depend on the turnout. The event includes a three hour cruise, which includes a full buffet dinner, our own entertainment and refreshments with optional cash bar service. The cost target is \$65-\$70 but the final cost will depend on the number in attendance. Based on previous events, we are estimating about 75 to 100 classmates will take part in one or more of the weekend events, including a less formal Friday evening get together. The photos in this mailing are from the 2008 events on Friday and Saturday nights. We have more than 100 photos on the website.

Information for the events can be found on the class website, [www.68whs.org](http://www.68whs.org) Check out the links for reunion information.

This letter has been sent by U.S. Mail to all of the classmates with address information on file. An electronic version has also been sent to the classmates with email. It is expensive to do physical mailings (this is the only one) and we would appreciate if you could update the information that we have on file, including an email address, so that we may include you future email news. Our emails to the class are infrequent and are only used to circulate news about reunions and other class events, the passing of a classmate or other items that may be meaningful to our classmates. Our email and website are not commercial endeavors, and we will not share your provided info with anyone unless you have given us permission to do so.

***Included with this mailing are:*** this reunion notice; an information update form; "missing classmate information"; and a reply envelope. Please indicate your interest in attending (so that we can make plans) and help us to keep our directory of classmates up-to-date.

Please provide us with any reasonably current information you might have about our "unverified or missing" classmates (don't assume someone else will be doing this – duplicate responses are better than none). We hope this mailing gets through to you and finds you well. Please pass on this news to classmates you know or encounter, and feel free to contact any of us if you have any questions. You can always reach us through the web site at: [www.68whs.org](http://www.68whs.org).
